Planting Services and Equipment Rental

Tree planter rental available (requires 40hp tractor with 3pt hitch)

Custom tree planting services offered.

Truax seeders available for rent. (great for food plots and native grasses)

Contact the Conservation District for further information

* The St. Clair & Sanilac Conservation Districts are seeking donations to help offset the expense of providing elementary children with tree seedlings and providing educational materials about the importance of trees / conservation.

Tree Ordering & Planting Information

- Visit our website or Facebook page for updated information pertaining to distribution dates, location and time.
www.sanilaccd.org or www.facebook.com/SaintClairConservationDistrict
- Tree information and planting guides can be found on our website.
- Please order early to ensure product availability (some species / varieties have limited availability).
- Orders \$200 or less—Full payment due when placing orders.
- Orders over \$200—50% of balance due when placing order, full balance due at time of pickup.
- \$25 service fee for cancellations. *Cancellations of orders after March 1st are subject to 50% restocking surcharge.
- Add your orders carefully! Adding errors with overpayment up to \$10 will be considered a donation to the SCD.
- District liability ceases when trees are picked up.
- Please send orders in by April 8th!

_____ In incidences of supply shortage, the SCD will automatically fill supply with the next available size. Please check here if you would prefer to be contacted about other options.
