EMAIL: [earthfair@stclaircounty.org](mailto:earthfair@stclaircounty.org)

### Earth Fair Registration Opens Up

Earth Fair is now accepting registrations for school field trips, exhibitors and volunteers to participate in this year's annual Earth Fair event. Earth Fair will be at Goodells County Park on Friday, April 24 from 9:00 a.m. – 4:00 p.m. and on Saturday, April 25 from 10:00 a.m. – 4:00 p.m. Admission and parking are free.

Teachers with a 3<sup>rd</sup> – 5<sup>th</sup> grade class are invited to sign up for a free field trip to Earth Fair. Earth Fair is a tool teachers can use to augment science lessons taught in the classroom and enables students to interact with 'field experts' in a hands-on learning environment. Spaces are limited so teachers are encouraged to register early.

A non-profit, business, agency, individual, or youth club with a product, message or service that addresses the environment is also encouraged to become an exhibitor by completing a registration form on the website. Exhibitor registration closes February 20.

The Earth Fair committee is also searching for individuals who are interested in becoming an Earth Fair volunteer. Volunteers work in shifts on the day and time of their choice and receive a free Earth Fair t-shirt.

Earth Fair is St. Clair County's largest Earth Day celebration. It is a two-day festival designed to showcase healthy, good-for-you organics in food, energy, transportation, clothing, home, garden and more. It is a blend of companies, artisans, demonstrations, displays and entertainment acts as well as specialty attractions, and furry friends that's fun for the whole family.

Those interested in attending as an exhibitor, as a school field trip, or becoming a sponsor should contact Sheri Faust at the St. Clair County Health Department at (810) 987-5306 or by email at [earthfair@stclaircounty.org](mailto:earthfair@stclaircounty.org). For more information, visit [www.EarthDayFair.com](http://www.EarthDayFair.com).
