Description of Achievement

In 250- 500 words, describe why the nominee deserves to win the Green Guardian award. The description should include the nominee's efforts and achievements, actions of the nominee, how their initiatives and/or efforts enhanced, preserved, restored and/or protected the environment.

Additional Notes

- Nomination forms are due the last day of March each year. Complete online, email or mail.
- Award details, past winners, and nomination forms are available at www.EarthDayFair.com.
- Nominees must reside in St. Clair County.
- Your nomination will be evaluated based on the following criteria:
 - Description of achievements. Be specific, i.e. people reached, #'s recycled, # of activities
 - Inclusion of nominee photo. Add'l pictures or other supporting materials may be included
 - Identification or proof of partnerships and collaboration with other groups
 - Explanation of sustainability and/or education efforts
 - Endorsements. Statements of support from others is encouraged.
- Only one recipient from each category will be selected. Self-nomination is encouraged.
- Nominators will be notified the first of April if their nominee was selected.
- Winners and nominators must be present during the Green Guardian Award Ceremony at Earth Fair on the last Saturday of April each year. The winner in the school/classroom category will be awarded on Friday at Earth Fair. The committee will work with the school to ensure the winning class or school-sponsored group can attend the awards if funding is a barrier.
